Who we are

The Friends of the Library at Paisley is organized to advocate for public library interests at the local, county, and state levels so that services and facilities are maintained at the highest level possible.

What we do...

Members promote gifts of reading materials, video's, CD's, and other desirable collections in the Paisley facility.

They promote speaker programs of educational value as well as special interest activities. They volunteer within the broader Paisley community to promote

reading and

cooperate with other local organizations to create a well-informed citizenry.

They support the Edward S. Swaby Scholarship Fund through fundraising events throughout the year.

All funds that are raised go to support the Paisley County Library

This Scholarship is open to a local High School Senior who resides in Paisley or the immediate surrounding Paisley area. The organization is financially supported by the annual dues of members, by donations, and by fund-raising projects.
