## **Mission**

The purpose of the association shall be to maintain an organization of persons interested in libraries; to focus attention on library services, facilities and needs; to create public support for expanding and improving the Astor County Library and to stimulate gifts of books, magazines, videos, DVDs, CDs, desirable collections and endowments and bequests.

### Meetings

Held monthly, the 3<sup>rd</sup> Thursday  
at the Astor Library  
Time: 12 noon

### Annual Meeting

October, once a year,  
on the 3<sup>rd</sup> Thursday

The Astor County Library offers the people of the Astor area the finest in reading materials. Books, magazines, newspapers, and audio books line the shelves. The library also has DVDs, music CDs, and games. If you need something our library doesn't have you can request it from one of the other libraries in the Lake County library system. Our library offers internet service and a new and increasingly popular free service is Wi-Fi. For a small fee the library will send a fax and make B&W or color copies. A library card is free to residents of Lake County. An agreement with neighboring counties allows for reciprocal borrowing with a library card from the county where they reside. The library is the center of the Astor community and needs the support of the community. Help us help the library. Join with us and become:
