Perfect Planting Place

I buried a head  
And grew a guitar,  
I buried a bottle  
And grew a bar,  
I buried a heel  
And grew a boot,  
I buried a pirate  
And grew some loot.  
I buried a bulb  
And grew a light,  
I buried a sword  
And grew a knight,  
I buried a pedal  
And grew a bike,  
I buried a scale  
And grew a pike.

I buried a pocket  
And grew some pants,  
I buried some uncles  
And grew some aunts,  
I buried some legs  
And grew a chair,  
I buried a rhombus  
And grew a square,  
I buried an Apple  
And grew a phone,  
I buried some genes  
And grew a clone,  
I buried a beak  
And grew a grouse—  
It's magical here  
In my greenhouse.
