

Feeling Trapped
by London Diaz

I want to fly
I want to cry
I don't know why
I want to be free
Just like a sea
Woosh woosh woosh
Sometimes I feel trapped
Like a lion in a cage
Wanting to flee
And be left alone.
I hope I can see
A way to leave the cage
Away from the stage
Not part of a circus
Out of this ruckus.
Let me out of this trap
So I can set my wings free
Flap flap flap.
