

THE RUM DRINKER'S LAMENT  
(sung to the tune of "Little Drummer Boy")

God, I think I drank  
too much rum,  
Rum, rum, rum.

My head is banging  
like a bass drum,  
drum, drum, drum.

I think there's lava bubbling  
inside my tum,  
tum, tum, tum.

In essence I feel like a  
skid-row bum,  
skid-row bum, skid-row bum,  
Bum, bum, bum.

Didn't know that this  
hangover would come,  
come, come, come.  
Boy, was I dumb.
